Tutorials

- Log into HBO Max
- Customize Download Settings
- Add Max Video
- Advanced Download Settings
- Start Downloading Videos
- Check Download History

Log into HBO Max

Run Kigo HBOMax Video Downloader on Mac and log in to your HBO Max account.

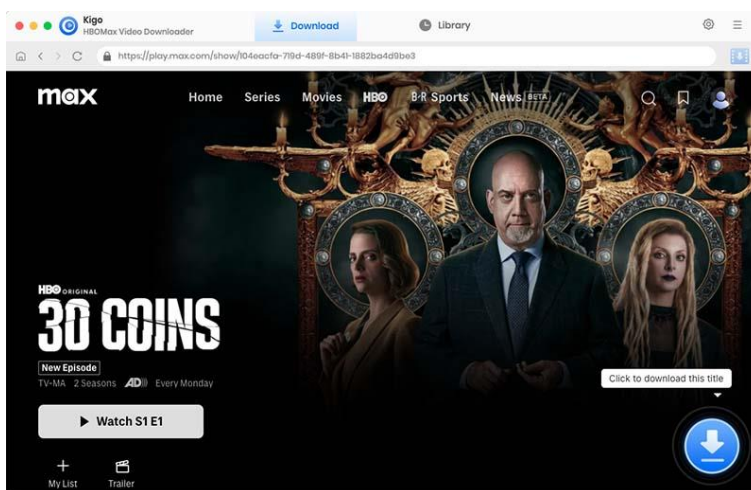

Customize Download Settings

Click the **Setting** icon on the upper right corner to customize the output quality (High, Medium, Low), output path, audio and subtitles language, etc.
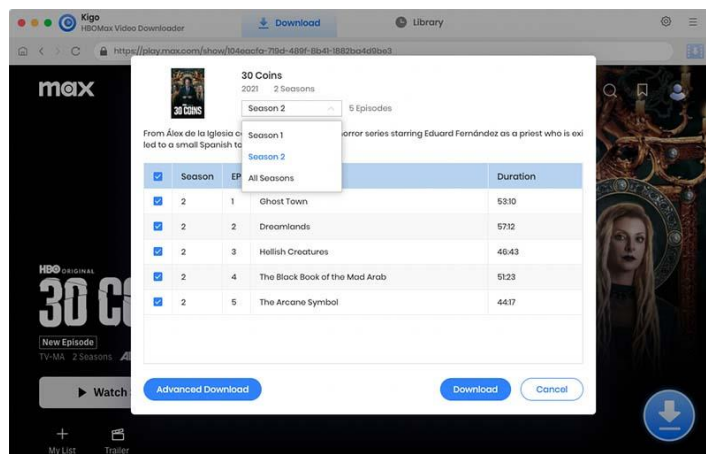

Add Max Video

Browse or search with video name to find the HBO Max video you want to download. Click to open the details page.

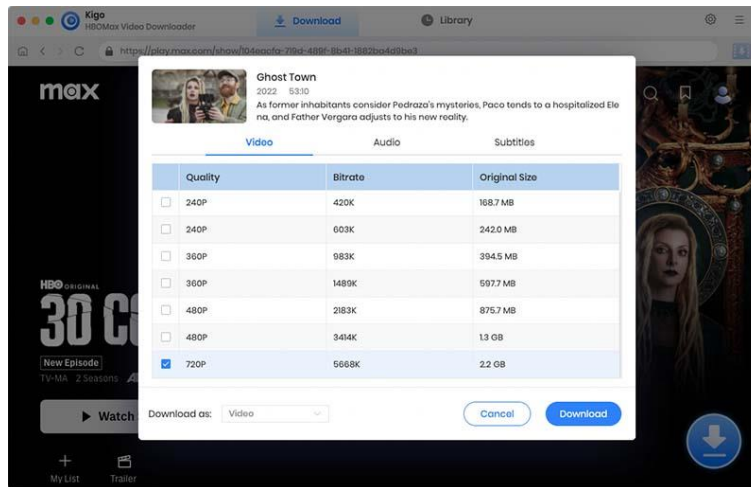

When the gray "Download" button turns green, click the "Download" button. Kigo will automatically parse all information about this video.
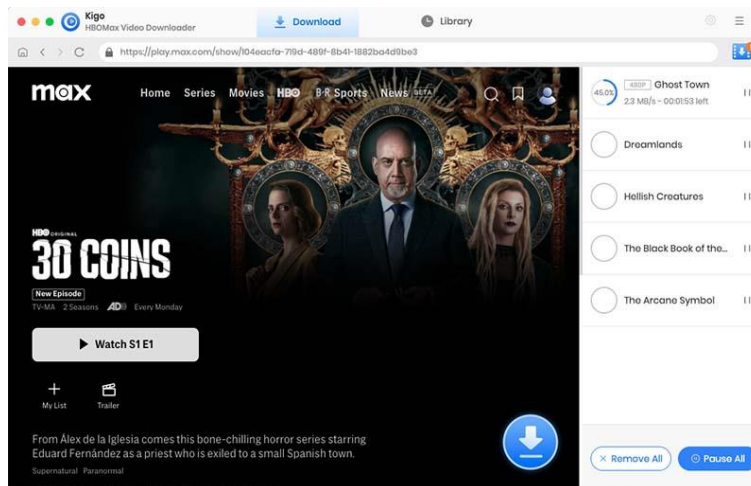

Advanced Download Settings

Click "Advanced Download" button to open the setting window.

Start Downloading Video

After completing the above steps, now the final step is clicking the **download** icon to start downloading the video to the output folder you've chosen in the previous step.

Check Download History

After downloading, you can click on **Library** to find the well-downloaded HBO Max videos on local drive.
